BELONGING

WELCOME TO EverSign

At EverSign, we believe every person deserves to feel **seen**, **heard** and **included**.

Our workshops bring together the joy of music and the power of **British Sign Language (BSL)** to create experiences where **everyone** can **learn**, **laugh** and **communicate** together.

Whether pupils are signing for the very first time or already have some experience of BSL, they'll find a welcoming space where curiosity is celebrated, differences are embraced and **everyone belongs**.

**We don't just teach signs.
We create moments of connection.**

Because when music and signing come together, something truly **magical** happens.

WHY EVERSIGN IN YOUR SCHOOL?

More than learning a song.

EverSign workshops bring together music, communication, creativity and inclusion in an experience children can enjoy together.

Through singing, signing, movement and performance, pupils are encouraged to:

COMMUNICATE

Develop confidence expressing ideas, meaning and emotion in different ways.

CREATE & PERFORM

Use their voices, bodies and signs, expressively while developing musicality, rhythm and performance skills.

LISTEN & RESPOND

Watch carefully, follow musical cues, work as an ensemble and respond to others.

BUILD CONFIDENCE

Experience the achievement of learning something new and performing as part of a group.

UNDERSTAND & INCLUDE

Discover British Sign Language (BSL) and explore different ways people communicate, helping to build empathy, awareness and respect.

BELONG

Take part in a shared experience where different strengths are valued and every child has a way to contribute.

LEARNING THAT REACHES BEYOND THE MUSIC.

Supporting communication, creativity, confidence, teamwork and understanding — while children are busy **having fun**.

Over the course of a term (or longer), children learn to perform songs in British Sign Language – creating powerful, inclusive performances.

WHOLE SCHOOL BSL DAY

A WHOLE SCHOOL EVENT THAT BRINGS EVERYONE TOGETHER.
